

## Term 2 2022 workshops

### Fused glass art

**When:** Thursday 12th May 2022 10am-11.30am

**What we will do:**

At this workshop you'll learn how to design and make unique fused glass jewellery designs or choose to make a glass art platter.

**About this event**

Fused glass is a memorising art form, you will hear about the process whilst learning to design and create your very own unique design.

Suitable for beginners with everything including tool hire included. Please wear closed in shoes and ages 16+

Learn safe hand glass cutting techniques plus colour theory using a range of supplied art glass and all the basics in the world of fused glass art including how glass is fused to form differently.

Please note, we do not offer refunds after bookings are made/tickets purchased but you may transfer your tickets to another person. Your designs will be kept for firing and you can collect these within 1 week from Spearwood postage option available.

**Where:** The Meeting Place, 245 South Terrace, South Fremantle

### Eco Rag Rugs with Indian Chindi Inspired technique

**When:** Thursday 12th May 2022 12pm-2pm

**What we will do:** Learn to create a beautifully handcrafted rag rug to adorn your home decor. Select from a range of textiles, explore Indian Chindi Rug making techniques and learn how to make a reusable rug weaving cardboard loom. Combining all of this, you'll leave with new found rug making skills plus materials sufficient to design and continue to create a doormat sized rug. Please note this size rug is self-paced anywhere between 2-6 hours hence completion of your design at home may be required. This relaxing workshop starts at lunchtime so feel free to bring something to eat. Coffee, tea and filtered water provided and included.

**Where:** The Meeting Place, 245 South Terrace, South Fremantle

**Cost:** \$75 for EARLY BIRD SALE TICKETS or \$95 thereafter

### Baskets COILED & STITCHED VERSION online via ZOOM

**When:** Monday 16th May 10am

**What we will do:**

Using a coiling and weaving technique, we will incorporate a range of environmentally-friendly processed natural fibers including jute and raffia and by adding your choice of textiles, cotton and other materials, you will make your basket not only functional but truly unique. Baskets are functional as plant pot holders, to store Knick knacks or just purely decorative.
